Aashram Aahar Kendra (LHS) and Reception Centre (RHS) being constructed in the open space of Yatri Niwas and Sevagram Ashram Pratishthan

Bamboo House: Bamboo Structures erected by CSV at Dr. Devendrakumar Campus has its spiraling effect and some people want it to be constructed at their farm. Also the technology is attracting educational institution (Architecture and Engineering Colleges) and students come for learning the techniques through practical application.

Training Programs:

A) Trained Students of D. Y. Patil College of Architect, Pune:

During 2nd January 2018 to 6th January 2018, 22 students and faculty members from D. Y. Patil College of Architect came to CSV and got training in Mud and Bamboo House making.

Photo 1) Students making face tiles, Photo; 2) Students carrying fired conical tiles for making a Vault Roof; Photos 3) Students making Bamboo gate; 4) & 5) Students with Bamboo Entrance gate made by them

Sanitation:

Toilet Construction Activity: CSV constructed 65 leach pit toilet in Pandharkaavda villages of Chandrapur District for Ms. Dhariwal Infrastructure Private Limited, Chandrapur during December 2017 and January 2018.

Workshop: During 5th to 7th April 2017 CSV hosted a workshop for addressing issues related to rag pickers in association with "Stri Mukti Sangathana" and "Acharya Srimannarayan Poly-technique College", Piper. In the workshop many institutions and more than 50 rag pickers (mostly women members of Pardhi community) interacted and draw a strategy to take the work further.

1) Members of Stri "Mukti Sangathana" addressing audience; 2) Gathering of rag picketers at "Centre of Science for Villages" during Workshop

A) Evaluation Work

1) Gram Swachhata Abhiyan: In the month of May 2017 and June 2017 CSV carried out evaluation work of 13 villages in Nagpur Division (Gondia; Bhandara; Chandrapur; Gadchiroli; Wardha and Nagpur) under Sant Gadgebaba Gram Swachhata Abhiyan. The report is sent online and also a hard copy of the same is submitted in the office of Commissioner, Nagpur on 14th June 2017

2) Nagari Swachhata Abhiyan: Details of the evaluation work done is given in the table on the next page.
